

CHAOS KARTS

CORPORATE
EXPERIENCE

A person is sitting in a kart on a futuristic, glowing track. The person has green face paint. The track is surrounded by colorful, abstract structures and a large, stylized 'S' logo in the background. The overall scene is vibrant and futuristic.

WELCOME TO CHAOS KARTS

Imagine racing through fantastical worlds that adapt to your every move, where your team becomes the star of a real-life video game. Chaos Karts turns this vision into reality with state-of-the-art technology, combining the fast-paced action of karting with the joy of digital gaming.

THE CUBE

Five diverse games designed to challenge and entertain your team, fostering collaboration and problem-solving skills

THE CUBE

Laser Maze

A thrilling game where players must navigate through a web of laser beams, testing their agility and precision.

Wick's Revenge

Unleash your inner John Wick with an exciting challenge that combines target shooting skills with the need to navigate a complex maze layout.

Eagle Eye Challenge

A test of marksmanship and accuracy, where players must hit targets at long distances.

Reactor

A fast-paced game that challenges players' reflexes and hand-eye coordination as they race to hit illuminated targets on a wall.

Cyber Football

Put your accuracy to the test by hitting targets as they light up randomly for a short burst of time.
